Made for living **by Hagan**

1.

Experience that builds better places to live

With over 37 years of homebuilding behind us, we know what matters. Every home is part of a bigger picture—designed for how people really live, now and in the future.

3.

Homes with more vision

Every layout, detail and finish is shaped by our in-house design team. We focus on flow, character and potential—so your home not only works well, it feels right.

5.

Designed efficient

From insulation to smart heating, our homes retain heat and reduce energy use. Modern systems make life simpler—and more affordable.

7.

Support that’s genuinely helpful

We stay involved after you move in, with a dedicated after-sales team and clear, reliable support when you need it most.

9.

Part of something bigger

Our homes are well-placed near schools, shops and green space—and often part of wider regeneration that brings fresh energy to local communities.

2.

Beautifully made, built to last

We set a high bar for quality. Our homes are finished with care, precision and a clear ambition to create something that feels special from day one.

4.

Fairly priced, thoughtfully planned

We deliver lasting value through good design, lower running costs and homes that hold their worth over time.

6.

We stand by what we build

Every home comes with two years of cover from Hagan for defects in workmanship or materials. They are also protected by a 10-year NHBC structural warranty.

8.

Make it your own

Choose from a wide range of finishes—from worktops to handles and doors. Our visualiser helps you picture your space before it’s built.

10.

A smart move for the future

With strong resale potential and a reputation for quality, a Hagan home is more than a good place to live—it’s a move you can feel confident about.
